# Once Upon A Time

At the southernmost tip of the research triangle the new school year began for Saint Mary's College. Young women came from across the world to build a new home and make a new family. Soon these women realized their home was not just within the Saint Mary's wall or the city of Raleigh. The Triangle and its surroundings became their new home, and they will always remember it the way it is now.

# WELCOME TO SAINT MARY'S

## The

President Jenkins welcomed Oneaka Mack while parents helped move their daughters into their rooms. Orientation days were filled with new rules and lots of changes, but everyone enjoyed all the new friends they met. After the long day of moving in and shaking lots of hands, everyone was ready for a good meal and plenty of sleep.

It is the clubs of Saint Mary's that add a little mystique to the everyday life on campus.

# A Celebration Abroad . . .

During the summer of 1990, Saint Mary's girls traveled abroad. Career and personal counselor, Carolyn R. Hicks, accompanied six girls to England and France. They left the Saint Mary's spirit in England's St. Paul's Cathedral, Westminster Abby, and Buckingham Palace. They then travelled southward to Paris and visited the Musee d'Orsay, Notre Dame Cathedral, The Eiffel Tower, as well as the Louvre. It was truly a celebration overseas!

The restored Bishop's house on front campus was the Museum of History Associate's ASID Designer Show House for 1991.

# Because of Their Devotion . . .

Mr. Tate came to Saint Mary's in 1957 and taught some of our mothers. He embodies the best of SMC traditions of adherence to strict standards of excellence. He encouraged his students to give the best that was in them; he insisted on standards higher than they would have chosen for themselves, but when they rose to his standards, they felt pride and amazement that they had done so. Mr. Tate opened new worlds to generations of students both in and out of the classroom, and many remember their first tentative explorations of New York and Europe under his guidance.

The class of 1991 counts itself fortunate in having known the friendship and leadership of Mr. Tate and Dean Watson. Both are retiring after many years of giving generously of themselves to this college. We will miss them.

# They Have Our Dedication

Dr. Watson came to SMC in 1971. Her dry wit and common sense way of cutting to the core of issues have endeared her to us all. As a history teacher, her faculty for relating events to our lives made the past matter to us. She has been a role model for several generations of women who wondered how you *could* have it all — career, motherhood, and something still left for yourself. In Dean Watson's case, that something is sailing, and we know she will enjoy having more time now for it . . . but we will miss her steady hand on the tiller here.

# Halloween

The dining hall rocked as spooks and practical jokers showed up for the annual Halloween contest. Prizes were given to the winners in group, couple, and singles categories. Thanks to the faculty and staff bakers a cake walk also became the treat of the evening.

# SAINT MARY'S FIRST ANNUAL HOUSEMOTHER'S DAY

This year the student body started a new tradition, housemother's day. Each housemother was treated royally for the day. It started off with breakfast in bed and ended with a special dinner in the cafeteria. All during the day, cards, balloons, candy and other gifts were given to the housemothers. This day was dedicated to the hard working housemothers and was certainly deserved.

# Christmas and

On Tuesday, December 4th, the spirit of Christmas was alive and well at Saint Mary's as over 500 luminaries lit the circle drive, and students, faculty, and Wake County alumnae joined together to celebrate the holiday season in festivities in front of Smedes Hall.

The annual candlelight chapel service, from which the student body proceeded, started the evening off as the tenth annual Lighting O' the Grove got under way. Members of the Granddaughters Club lit luminaries which lined the circle drive and the walkway towards Smedes.

Wake County alumnae and their children, members of the community, and neighbors from Cameron Park and surrounding areas all joined the student body in front of Smedes for various entertainment. This included the Saint Mary's carols, and a visit from Santa and Scrooge. Treats to alumnae children and refreshments for the crowd were provided for by the help of the SGA and faculty.

The giant Christmas tree was blessed and lit, and was lit every evening until the students left for Christmas vacation. The annual Circle-Beacon Christmas party wound the evening down, as students enjoyed another visit from Santa, as well as a performance by the Cold Cuts.

# ter Weekend

Father/Daughter Weekend was a great success. The fathers arrived on Saturday the 23rd of February. A big dinner and dance took place that same evening. There was even a keg at the dance for the fathers. Sunday they had the option of going to chapel and then Sunday brunch. Thanks Fathers, it was a wonderful weekend!

# Prom

Prom was held on April 6 and the theme was "The Dark Side of the Moon." Great souvenirs and T-shirts were given out. The dance lasted from 10:00 to 1:00 a.m. The band was "Wild Men from Bornio" and the punch served was called Moonshine. Thanks Juniors, Prom was great!

# Spring

On April 11, the front campus of Saint Mary's was turned into quite a carnival. Each club sponsored an event for faculty, staff, and students to enjoy. Some of these events were raffles, tug-of-war, pictures, cake walks, pie and water balloon tosses, and even a dunking booth. The special highlights of the afternoon were the performances by the Cold Cuts and Dr. E.'s Band. Spring Fling concluded with a picnic in the patio.

# Silent S' Easter Egg Hunt

Saint Mary's was the "hopp'n" place to be on March 27. Silent S had their 1st Annual Easter Egg Hunt, on front campus. Eggs filled with candy were hidden all over, along with a few other special surprises such as picture frames and money. There were also other festivities such as the egg toss and spoon race. Not only did Saint Mary's girls get involved in the fun, but several children did too. It was especially fun for them because of the girls dressing up in a rabbit costume. Many pictures were taken with the rabbit to remember the 1st Easter Egg Hunt at SMC. Since the results were outstanding, there are going to be many more hunts to come!

## The 1990-91 and 1991-92 SGA Members

### A Special Dedication

When war in the Persian Gulf broke out in January of this year, people were affected all over, including Saint Mary's. Several girls in Smedes decided to make a bulletin board which read "Make Love, Not War" to show their love and appreciation for their boyfriends, friends, and relatives as well as all the other troops who were sent so far away from home.

Celebrating the fruits of their summit diplomacy, President Bush and Soviet President Mikhail S. Gorbachev shook hands and signed a sheaf of agreements, including a conditional trade accord. During the June (1990) summit, the leaders also embraced a preliminary deal to cut long-range nuclear arms.

#### EARTH DAY

On April 22, an estimated 200 million people all over the planet celebrated the 20th anniversary of Earth Day as activists led for the rise of a new "conservation generation" to care for the fragile environment.

The U.S. Senate rejected a constitutional amendment against flag burning on June 26 with critics arguing that it was already dead and being debated largely as ammunition for use against them at election time.

# SGA

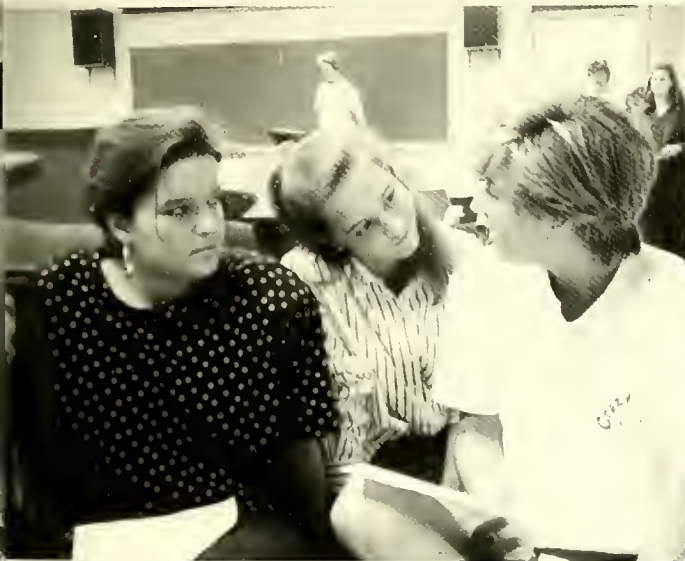

The Saint Mary's students are represented by the Students Government Association officers, a governing body which consists of ten hard working members. The purposes of this organization are to instill in the students the principles of self-control, responsibility, and honor, to foster loyalty to the college, to maintain a spirit of cooperation among the students, faculty and staff, and in every way possible the best interest of Saint Mary's College. The 1990-91 SGA set a goal of creating a combination of both old traditions and making new ones to bring a bond of unity throughout the school.

# Hall Counselors

The position of Hall Counselor is one of the utmost importance to the College community. She is delegated major responsibilities for the development of a positive living environment on her floor. Hall Counselors are expected to present themselves as positive role models, to practice humility, consideration, friendliness, helpfulness and dependency. It is an honor to be chosen as Hall Counselor at Saint Mary's.

# Dorm Council

Dorm Council is the governing body responsible for dealing with infractions of rules in the dormitories. The members of Dorm Council include the Chairman of Dorm Council, the Underclassman Vice-President, the Dean of Students, an appointed faculty member and two representatives from each class. Dorm Council deals with lateness, past curfew, failure to sign in and out properly, failure to attend hall meetings and disturbance of quiet hours.

# Four Year Girls

The four year girls is a club composed of a group of girls who have attended Saint Mary's beginning their junior year in high school through their sophomore year in college. To these girls Saint Mary's is truly a place to be cherished. They have learned to relate to both the high school and college sections of Saint Mary's because they have experienced both perspectives.

# The Budgeting Committee

The purpose of this committee is to manage the portion of the student funds designated by the SGA for the use of clubs to sponsor activities which will serve the entire student body and better the community of Saint Mary's College. The representatives on this committee are: the SGA Secretary-Treasurer as Chairman, the twelve grade class Secretary-Treasurer as Vice-Chairman, three high school students, and five college students.

## Legislative Body

Being a member of the Saint Mary's College community means being responsible for our own actions. Probably one of the most valuable lessons to be learned here is that of cooperation; everyone pulls together to ensure that we maintain our precious heritage of self-government. The Legislative Body protects this right and responsibility which we all share.

# Chapel Marshals

The Chapel Marshals are high school seniors who are elected by the high school student body. A Marshal's job is to encourage respect, participation, consideration, and attendance at all chapel services. It is the responsibility of the Marshals to collect chapel cards, hand out bulletins, enforce conduct, lead to seat and dismiss the congregation. This year the Chapel Marshals had to show their leadership skills during Chaplain Watrous's absence in the spring semester. They had to show the interim chaplain the ropes until she was comfortable with the service at Saint Mary's.

The Vestry is a group of college and high school students elected annually by their peers to work with the Chaplain in overseeing and implementing the Chapel program. As an Episcopal Church, we follow this pattern with a few adaptations for our setting. The Vestry is a hard-working and fun loving group who make a great contribution to the spirit of Saint Mary's.

# College Marshals

The Marshals are elected by the student body from the rising college sophomore class and assume their duties on the third Sunday before commencement. The Chief Marshal drops the handkerchief at the end of the Commencement exercises, officially ending the school year. They usher at convocations, serve at various school functions, and maintain order at all student body gatherings.

# Day Students

Day students supposedly go home at night, but as we all know, they are here a lot! — for club walks, using the library, or just visiting with the narders. Day students often help the narders to feel at home in Raleigh. It's not at all unusual for day students to spend the night on campus, whether because of snow or just for fun. One of the most popular functions of the year is sponsored by the day students — the Sweetheart Dance. Day students are an important part of Saint Mary's!

College freshman must have received a 3.5 average for the first semester and College sophomores must have a 3.5 overall average.

# The Sociedad Honoraria Hispanica

The Sor Juana Ines de la Cruz Chapter of The Spanish Honor Society was begun at Saint Mary's on November 20, 1987. The purpose of this organization is to recognize high achievement in Spanish among high school students and to promote an interest in Hispanic studies. Candidates must have maintained an honor average in the study of Spanish for a minimum of three semesters. Members of the society are eligible for many scholarships. The Saint Mary's Chapter has their induction service in the spring semester.

# SMEC

The Saint Mary's Environment Club made some important contributions towards our awareness about the global crisis we are currently facing. Each person here had a chance to see what she could do to be environmentally smart because SMEC encouraged recycling. Making each girl aware of her habits and attitudes *could* make a difference in the world was a goal and an achievement of SMEC.

## Food Committee

The food committee is a club that serves as a liaison between the students and the dining services. Two representatives from each class are chosen by their classmates and two members are chosen at large. The committee plans activities and events, decorates for holidays and special occasions and voices nutritional concerns and needs of the student body.

Atlas is composed of the foreign students at SMC, and its main goal is to promote unity between the foreign and American students. Educating themselves and the rest of the student body about different cultures and forming lasting friendships are natural byproducts of their association.

Under the direction of Emmett Windham, the SMC chorale performs throughout the year. Two of their most important engagements during the 1990-1991 season were Part I of Handel's *Messiah* and a blend of classical and sentimental favorites for Spring Fest. The girls in chorale practice hard to achieve the high level of excellence which marks their work.

# Stagecoach

The *Stagecoach* staff, led by co-editors Keely Simerville and Jennifer Hall, decided that this year's theme would be "Once upon a Time . . ." That decision set the tone for a fast-paced year of taking pictures, doing layouts, and writing appropriate copy. In years to come, *The Stagecoach* staff will look at this volume and remember hard work, deadlines, and creative solutions — but it is hoped that the students will look at it and remember 1991.

# Muse

The *Muse* is the literary magazine of Saint Mary's College. Entries are selected for inclusion on a competitive basis. This year's judges were Betty Adcock, Tom Hawkins, and Margot Richter, and winners were Lynn Beard, Ashley Griffin, Lucas James, Kristy Lawson, Marti Millner, and Lisa Sedlak. Lisa Gorman, Meredith Howard, Kristy Lawson, Yumi Ohkita, Katherine Scholl, and Naomi Urano received Honorable Mentions. In addition to featuring the best of student art and writing, the *Muse* sponsors a Halloween poetry reading and *Muse* Week in the spring. G.C. Hendricks, Laurel Gorman, Sam Ragan, and Shirley Moore shared selections of their work with an appreciative audience of Saint Mary's and community participants. 1990-1991 *Muse* President was Kristy Lawson, and Mrs. Anna Wooten-Hawkins was advisor.

# Belles

*The Belles* focused on campus events such as the Indecision concert and Fighting O'the Grove, as well as on such important world affairs as the war. It was a year dominated in one way or another by the Persian Gulf crisis, and the newspaper served as a forum for student opinion about it. In March, the staffs of *The Belles* and *The Stagecoach* enjoyed a tour of *The News and Observer*.

The availability of these tour guides allows perspective applicants a glimpse of life at Saint Mary's. Thanks to the Admisses Saint Mary's can attract many wonderful girls.

Students Against Drunk Driving is a service organization whose purposes are to encourage responsible drinking habits. Drinking alcohol and driving an automobile do not mix. The club sent delegates to the North Carolina Drug and Alcohol Awareness Conference-Decision '90. They have also posted fliers warning of dangerous drinking habits. They were responsible for the Rape Awareness posters and television video about Rape used in hall programs. The club sponsored two Mocktail Parties — one of which was at Spring Fling. During the H.S. Prom, SADD organized a designated driver program which offered a safe ride home to all prom goers.

The club was made up of both High School and College students. This combination provided support for both the High School and College. High School President was Jennifer Boleman and the College President was Hollie Coward.

# Cold Cuts

The Cold Cuts is a college sophomore ashtrub band. At the end of each year the preceding members pick seven girls to carry on the Cold Cuts tradition. These seven girls are referred to as the "Original Seven." New members are inducted during the year. The Cold Cuts play instruments from the traditional bongos, sticks, maracas to the cheese grater, mops, and flower pot. Each year they wear bright colored overalls and shirts. They perform for civic events, school and many Saint Mary's events. The Cold Cuts is a long standing tradition at Saint Mary's.

# Spiders

One club in the high school at Saint Mary's is the Spiders. It was started in 1972 and is made up of twelfth graders and one college sophomore who is known as "Madam Spider." This is one of the many secret clubs on the Saint Mary's campus. Only those chosen to join the Spiders actually know what it means to be a Spider. One job of the Spiders is to promote school spirit in the high school. Spiders do several activities throughout the course of a year. One activity done by the Spiders this year was to take the Governor Moorehead children trick or treat in Halloween.

# Serenitas Veritas

Serenitas Veritas is a secret organization of sophomores dedicated to promoting a spirit of love and concern in the Saint Mary's community. Throughout the year we remain anonymous because it is the giving and not the receiving which we emphasize.

"For kindness is indeed sublime and worth the trouble anytime. Sincerity is all we need to help us do a friendly deed."

Medical Minds was formed in 1989-90 as a support group for the chronically ill and has evolved into a group promoting Health Awareness. The club is the brain-child of Regina Williams, who was the first and is the present president. Regina is vitally interested since she has been a diabetic for 4 years. All students are urged to join regardless of the presence of a chronic illness; either in themselves or members of their families. Some of the programs and projects undertaken by the club are: cholesterol screening, visits to Children Surgical Care at Duke, Breast Cancer display in Library, a Health Month with programs on Depression, Date Rape, Massage, Nutrition, Health Relationships, and Halloween treats.

# Granddaughters Club

The Granddaughters Club consists of students who are direct descendants of Saint Mary's alumnae, including their mothers, grandmothers, and great-grandmothers (of all degrees). The club was established in 1909 by Kate McKimmon, teacher, secretary and treasurer of the Alumnae Association and herself an alumna of Saint Mary's. The first club had 33 members: 11 granddaughters, 27 daughters and five students who were the third generation of Saint Mary's.

The purpose of the club is to keep a close kinship with the Alumnae Association, to continue the traditions of the college, and to build new ones, to promote school spirit, and to form a nucleus of students that will later develop into prominent service in the Alumnae Association. The club's mascot and chief cheerleader is the Ghost of Aldert Smedes, founder of Saint Mary's in 1842, who roams the halls and lives in the attic of Smedes.

Granddaughters Club members, who call themselves Ghostbusters, and the Ghost, walk very far to tap new members. Ghostbusters send Halloween treats to the student body, are in charge of the luminaries for the Lighting 'o the Grove, help with the party given each year to the graduating college class, and present a chapel service, as well as other community projects throughout the year.

# The Order of

The Order of Saint Genesis is the honorary society of the drama department. Its members have made contributions in at least two major productions at Saint Mary's College. The members must also have a general love, respect and understanding for the theatre.

This year Saint Genesis inducted Somer Cooper as an honorary member. She has been involved in at least three major Saint Mary's productions. Somer, age 13, is not a Saint Mary's student. She would like to go to Saint Mary's one day, in which case she would automatically be a Saint Genesis member.

In addition to contributing their talent in "Little Women," our spring production, Saint Genesis members also organized Saint Mary's Lip Sync contest. The Lip Sync was so successful that the judges, Faye Fussell, Carolyn Hicks, Dr. Guilmart, and Dr. Eschimer, asked the winners and a few other participants to perform for Father/Daughter Weekend, and they did.

The Order of Saint Genesis is named after the patron saint of the theatre, Saint Genesis. This organization has been active in the Saint Mary's Community for approximately forty years.

# Muse Week

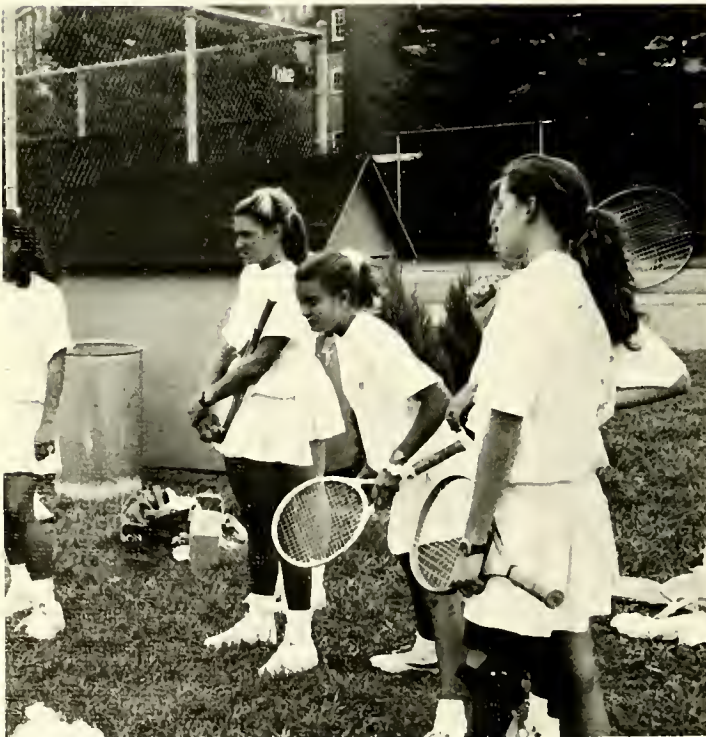

Under the direction of Mrs. Anna Wooten-Hawkins, Muse Week takes place in early January and is one of the cultural highpoints here at SMC, involving, as it does, both students and the community. Sponsored by the *Muse* magazine, local writers of superior standing and achievement come to Saint Mary's, read from their works, and take questions from the audience. Informal interaction between the artists and their followers is encouraged by the receptions which follow each reading. This year the *Muse* was proud to bring Sam Ragan, Shirley Moody (who taught classes in poetry writing in addition to reading), Pete Hendricks, and Laurel Goldman.

Clockwise from above: Retirees Mrs. Mary Pearson, Dr. Giva Watson, Mr. John Tate; the college graduation processional.

So that

## FROM KERMIT THE FROG TO THE WORLD

"If I were a poet, I'd write you a sonnet . . .

But I am not a poet, and I think you know it.

But I don't need a present.

All I need to do is look at you

To show you how much I love you."

Jim Henson, May 1990

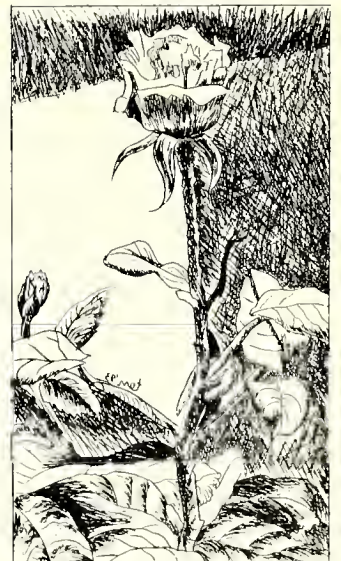

Jim Henson's love of life and of people rang out through the words of the songs he wrote. Filled with his spirit of wonder and curiosity, Ernie and Kermit explored Sesame Street . . . and they linger there still in our childhood memories.

"What you are is God's gift to you.  
What you become is your gift to God."
